## **KATA/WEAPONS SCORING**

- **Scoring** - When using 5 judges, the highest and lowest scores will be eliminated and the remaining three scores will be added together. Once the high and low have been eliminated, they cannot be used to break a tie.
- **Ties** - In case of a tie, the lowest remaining score will be added again. If a tie remains, then the highest remaining score will be added again. If a tie still remains, the tying competitors must perform their kata again (same or different kata).
- **Late Entries** - Once the division has started, the late competitor must go next.

## **SPORT KARATE POINT SPARRING RULES**

- **Late Entries** - Once the first sparring match has started in his / her division, no other competitor(s) can enter that division.
- **Order of competition** – Once the final call for competitors of a division has been made at ringside, the referee and the ring personnel will collect the competitors' cards. Competitors' card must be mixed thoroughly before any byes are awarded.
- **Byes** – All byes will be drawn randomly and before any sparring matches have started.
- **Length of Match** – An elimination match shall last a total of two (2) Minutes running time, unless a competitor earns enough points to be declared the winner before the two (2) minutes are up. Running time means that the clock continues to run during point calls, etc., unless the center referee calls for a time out.
